The School of Healing Prayer® is designed to teach individuals, churches, prayer groups and other Christian organizations about healing prayer. There are three levels - it is very important to take each level in sequence, as each course builds upon the previous one.

**Level I** prayer training course includes a foundational, balanced and practical approach to begin a prayer ministry. This course offers a scriptural basis for God’s gift of healing and prayer for healing, and it teaches the student how to effectively minister prayer for healing within a Biblical framework.

**Level II** builds on the foundations established in Level I. It leads prayer ministers through a progressive and more in-depth understanding of the healing ministry and more specific issues that arise. It focuses on the healing of relationships through more defined areas such as healing of marriage, healing wounds of divorce, and healing of abortion and miscarriage, among others.

**Level III** addresses issues that very experienced prayer ministers may encounter, such as abuse, addictions, and deliverance.
